INTERNATIONAL CONFERENCE

SYSTEMICS, CYBERNETICS AND INFORMATICS

ICSCI-2017

Theme: Digital Health Initiative

Organized by Pentagram Research Centre, Hyderabad, INDIA
Avatar MedVision U.S., LLC., North Carolina, USA
Pentagram Labs Inc, Cupertino, California, USA

March 09-12, 2017 Website: www.icsci.net

THEME

The purpose of this conference is to provide a platform for people who are working in various scientific disciplines to interact with each other and share their ideas, concepts, tools and paradigms with a focus on initiating a comprehensive and technical approach to develop a healthy society. It is presumed that participants would derive considerable benefits both in their intellectual and materialistic pursuit. The topics for this conference have been categorized under various streams by experts with the theme in mind. Any other relevant discipline missing in this page could also be suggested by authors and papers presented. So, come, participate, present and share your knowledge with others. The various streams under which the topics of the conference are categorized are detailed hereunder:

Medical Sciences
All topics related to Anatomy and Physiology, Various Medical Practices, Surgery, Diagnostics, Pharmacy, Hospital Management

Biological Sciences
All topics related to Zoology and Botany, Biotechnology, Bioinformatics, Microbiology, Biochemistry, Cellular and Molecular Biology, Genome Analytics

Physical Sciences
Nuclear Science, Heat, Classical and Quantum Mechanics, Optics, Electricity and Magnetism, Earth Science, Space Science, Nuclear Magnetic Resonance, Biomagnetic Fields and Aura Imaging.

Engineering Sciences
All topics related to various Engineering Disciplines, Biomedical Instruments, Big Data Analytics, Image Processing, Signal Processing, Pattern Recognition and Analysis, Modeling and Simulation, Remote Sensing and GIS,

For complete list visit : www.icsci.net

ADVISORS, INVITED SPEAKERS, SPECIAL GUESTS

Prof. Dr. Klaus Dieter Lukaschus
Department of Electrical Engineering
University of Applied Sciences
Gelsenkirchen, Germany

Prof. Dr.-Ing. Dr.h.c. Claudio Moraga
European Centre for Soft Computing
33600 Mieres, Asturias, Spain

FB Informatik, Universität Dortmund
44221 Dortmund, Deutschland

Prof. Dr. Stan Vassilyev
Professor and Academician
Russian Academy of Sciences,
Director, Institute for System Dynamics
and Control Theory of Moscow, Russia

Prof. Dr. Alexander Ya Kaplan
Professor and Head
Human Brain Research Group
Lomonosov Moscow State University
Moscow, Federation of Russia

Prof. Dr. B. G. Siddharth
Director General, B.M. Birla Planetarium,
Hyderabad, India

Prof. Dr. Dirk van Dalen
Department of Philosophy, Utrecht
University, The Netherlands

Prof. Dr. Gerhard Chroust
Kepler University, Linz, Austria

Prof. Dr. Matjaz Mulej
University of Maribor, Slovenia

Cornelia M Kenr
Consul General of USA, Hyderabad

Lt. Col Eduardo Kimball
Director, S&T, U. S. Army

Prof. Dr. Michael McKubre
Director, Energy Research Center
SRI International, USA

Steve Kobzi
New Energy Times, USA

Prof. Dr. Tony Constantinides
Imperial College of Sci., Tech & Medicine
London, United Kingdom

Prof. Dr. Srinivas Pentyala
Associate Professor
School of Medicine
Stony Brook University, New York, USA.

Prof. Dr. Sethuraman Panchanathan
Chair, Dept. of Computer Science and Engg.
Arizona State University,
Tempe, Arizona, USA.

Prof. Dr. Charles Wiser
Purdue University, Hammond, USA

Prof. Dr. A. G. Ramakrishnan
Dept. of Electrical Engineering
Indian Institute of Science, Bangalore

Prof. Dr. W. M. Wonham
Department of Electrical and
Computer Engineering
University of Toronto, Canada

Prof. Dr. Richard Stallman
Massachusettes Institute of Technology
Boston, USA

Nikita V. Danilevich
Attache, Embassy of Russian Federation

Sophia Angela Szymczuk
North Carolina, USA

Prof. Dr. Sujit K Bej
University of West Indies, Barbados

Vasilieva Olga
Moscow, Russian Federation

Pat Krishnan
CEO, Helios and Matheson
New York, USA

Prof. Dr. Stephen Moo Kim
Chairman and CEO
Semitech Innovations Pty Ltd., Australia

Prof. Dr. Andras Pellionisz
CEO, HoloGentech, California, USA

Prof. Dr. Tae-Van Kim
Seoul National University, Korea

Prof. Dr. Pieter Jonker
Tu-Delft University, The Netherlands

Kolette Yolande Geraldine
The Netherlands

Prof. Dr. Alain Bernard
Paris, France

Prof. Dr. Pradeep Khosla
Carnegie-Mellon University, USA

CONTRIBUTED PAPERS

Contributed papers for ICSCI-2017 are invited from prospective authors (Faculty, PhD Students and Professionals), which would describe original research output, applications and developments that have not been presented elsewhere previously.

How to submit contributed papers ?

Steps:
1. Download the two files:
(i) Template paper (ii) Contributed paper attachment forms from http://www.icsci.net
2. Prepare full length paper using template paper. The number of pages of your paper SHOULD NOT exceed SIX pages.
3. Complete the paper attachment forms in all respects.
4. All papers should be sent in MS word format only.
5. All papers would be classified under the following categories: (i) Medical Sciences, (ii) Biological Sciences, (iii) Physical Sciences and (iv) Engineering Sciences
Identify the most appropriate category to which your paper could be attached.
Send your paper along with the completed forms to the
E-mail ID: icsci2017@gmail.com
Write "CONTRIBUTED PAPER" in the subject line in e-mail.
A paper which is sent without the other forms will not be considered for a peer review.
6. If you have any doubt regarding submission of contributed papers feel free to write to the Conference Coordinator using the E-mail ID: icsci2017@gmail.com
7. Last date for submission: January 20, 2017

STUDENT PAPERS

Student papers for ICSCI-2011 are invited from prospective authors (Undergraduate and Post Graduate Students but NOT PhD students), which would describe original research output, applications and developments that have not been presented elsewhere previously.

How to submit student papers ?

Steps:
1. Download the two files:
(i) Template paper (ii) Student paper attachment forms from http://www.icsci.net
2. Prepare full length paper using the template paper. The number of pages of your paper SHOULD NOT exceed SIX pages.
3. Complete the paper attachment forms in all respects.
4. All papers should be sent in MS word format only.
5 All papers would be classified under the following categories:
(i) Medical Sciences, (ii) Biological Sciences, (iii) Physical Sciences and (iv) Engineering Sciences
Identify the most appropriate category to which your paper could be attached.
Send your paper along with the completed forms to the
E-mail ID: icsci2017@gmail.com
Write "STUDENT PAPER" in the subject line of the e-mail.
A paper which is sent without the other forms will not be considered for a peer review.
6. If you have any doubt regarding submission of student papers feel free to write to the Conference Secretary using the
E-mail ID: icsci2017@gmail.com
7. Last date for submission: January 20, 2017
Do not send plagiarized paper from internet

TUTORIALS AND SPECIAL SESSIONS

Proposals for Tutorials and Special Sessions are invited from academicians and industrialists, which introduce novel paradigms and products.

1. Prepare your proposal for a tutorial or a special session and directly send it to the conference coordinator Prof. Dr. A. R. Poongothai using E-mail ID: icsci2017@gmail.com Send a plan as to how you wish and are going to organize your tutorial or special session. Mobile number of Dr A. R. Poongothai is +9963055517
2. Send your full resume and the proposal for the tutorial or a special session.
3. If you propose a tutorial, then mention your expectation from the participants in the form of fee per person.
4. If you propose a special session, then you are going to be the session chairman and your team of people would participate in the session and present papers. You are required to send the set of papers reviewed by your experts to the conference coordinator.
5. Last date for submission of proposals: January 20, 2017

ICSCI-2017 is our Eleventh International Conference
Renowned people from all around the world will be participating in this conference. Faculty and Students ! Be present in this mega event and make the best use of it.

EXPOSITION

The conference Exposition is aimed at bringing together intellectuals and entrepreneurs related to basic science, healthcare, Information Technology from different walks of academics and business under a common roof for constructive interaction and development. It will showcase to the world community, the latest and the most advanced Software, Hardware, IT products and scientific knowhow in the health care sector. The Expo will be a perfect launch-pad to exhibit the latest developments of research and the latest of products to the huge, scientific and technology savvy Global public in health care and clinical set-up.

IMPORTANT NOTE TO ALL PARTICIPANTS

The purpose of ICSCI is to provide a common platform for the clinicians, students, faculty, researchers and industrialists to share their views, findings and products with everyone. This noncommercial mega event is being organized for the benefit of all and hence the participants are required to extend maximum support for the smooth conduct of the conference. Everyone has to follow the guidelines given in the web site and pay the conference registration fee promptly.

IMPORTANT DATES

Last date for submission of full-length papers and proposals: January 20, 2017
Acceptance of papers and proposals would be informed by: January 30, 2017
Last date for final registration for the conference: February 10, 2017

NOTE: Only registered papers will be included in conference proceedings and official acceptance letter sent to authors.

CONTACT US

E-mail: Send all soft copies (MS Word format) papers with the attachment forms to:

icsci2017@gmail.com

By Post: Also send two hard copies along with a soft copy in a CD to the following address.

Dr. A.R.Poongothai (Mobile No. +9963055517)
Conference Coordinator
ICSCI - 2017
201 Venkat Homes
MIGH 59, Mehdipatnam
Hyderabad - 500 028, Telangana State, India
Phones: +91-40-23553986, +9963055517

Web Site: **www.icsci.net**

NOTE: *All authors are requested to comply with the timelines, norms and conditions stipulated by the conference secretaries and enable us to serve the society better.*

Kind Attention: *Prepare your paper using the paper template.doc that is available in the web site. Send a soft copy of the paper by email to icsci2017@gmail.com. Send all the forms duly filled in all respects along with the paper using the same email ID. Please go through the instructions given in web site thoroughly before you attempt to send the paper and the accompanying forms. Hard copy of the paper along with the hard copies of the respective forms to be sent to the following address: ICSCI-2017, CONFERENCE COORDINATOR, 201, VENKAT HOMES, MIGH - 59, MEHDIPATNAM, HYDERABAD - 500 028, TELANGANA STATE, INDIA. Please keep up timelines. Feel free to talk and clarify doubts.*
